Blocks

Definition (Greetings)

Hello World

Theorem (Fermat's Last Theorem)

$$a^n + b^n = c^n, n \leq 2$$

Alert

By the pricking of my thumbs.

Example

Something evil this way comes.

Style usage

Include using:

```
\usetheme{CleanEUR}  
\usepackage[light,sfdefault]{roboto}
```

Options to the package

- ▶ titletoc: show table of contents on the titlepage
- ▶ nologo: don't show a logo on the titlepage and in the bottom left corner

Example:

```
\usetheme[nologo,titletoc]{CleanEUR}  
\usepackage[light,sfdefault]{roboto}
```

We can also get a frame without decorations, by using the plain option.
